MEMORANDUM FOR: [redacted]

SUBJECT: [redacted]

Science Paper

1. Pursuant to your conversation with [redacted], I am enclosing copy #9 of the paper on [redacted] Science prepared in [redacted] office. Because of the operational suggestions made on pages 13, 14 and 15 of the basic paper, we suggest that dissemination of the basic paper be limited. On the other hand, this limitation does not necessarily apply to the appendices with the exception of Tabs A, C-1 and C-2.

2. While most of the appendices are unclassified and taken from public sources, we believe that the appendices in their collected form but separated from the basic paper should bear the classification CONFIDENTIAL.

3. We would appreciate your returning this paper after you and the appropriate members of your staff have reviewed it.
